

Zebra® MZ™ Series

Zebra Printing Power in the Palm of Your Hand

Mini Zebra Printers Take Your Business Where It Needs to Go!

Get the benefits and value associated with Zebra with this economical receipt printer. The tiny MZ printer can be a smart assistant for any mobile receipt printing application where you

need quick, simple receipts on demand. Use 802.11g, Bluetooth®, IrDA® or USB to connect to a handheld or smart phone device and produce crisp, clear receipts!

Receipts on demand for a variety of applications, including:

- Field Force Automation—Allow your mobile workforce to print delivery confirmations and service receipts on-site in the field.
- Retail Queue-Busting—Scan a basket of goods and print a bar coded receipt to reduce the amount of time a customer is at the register, and improve the rate at which lines are processed.
- Citations—Leave gentle reminders for offenders when they park in the wrong place.
- Hospitality—Handle payments for concessions in the theme park, the arena, or at other venues.
- Transportation—Provide convenience for your passengers: Print tickets or payment receipts in taxis, trains, boats or buses!

A Sleek, Subtle Sidekick

This unobtrusive printer can be worn comfortably for a full shift, without interfering with the user's tasks. And because it's a Zebra, there's no compromise in reliability when you choose this entry-level printer.
